Lower Extremity Exercises – Standing

Advance yourself to the following exercises done in a standing position. Hang on to a solid support, such as a kitchen counter, when exercising. These exercises are most effective if trunk is kept upright, buttocks tucked in and toes pointed straight ahead. Be sure to hold your stomach muscles tight and use good breathing techniques while exercising.

When doing these standing exercises:
• Hold on to a solid object
• Stand up tall

Marching
• Lift up knee.

_____ repetitions
_____ times per day

Kick back
